

# NORTE

## ONE CLASS

There certainly is something special about being the one and only! Kids will have the special opportunity to shine as *the Balance Bike Team* of the school!

\$300

## TWO CLASSES

You save money because we save time! Back-to-back classes gets more kids in on the fun and amplifies the our impact.

\$500

## WHAT'S ONE MORE?

Get everyone in on the fun! Maximize budget by introducing more classes to Norte's in-school offerings.

Each additional class over 2 is just \$150.

### SEL Focus

With "I can" and "I am" statements each day, students will practice self awareness and self management.

### Brain Gain

It is scientifically proven that kids who move more, learn more! We can help with that!

### Strong Starts

When it comes to building healthy habits, the sooner, the better! Let's start here & now!

## Scholarships available!

We're here to help you bridge the cost gap between PTO grants, classroom funds, and the remaining balance.

## Session 1:

### Balance Basics

Helmets on, sit down, big steps! Practicing the basics builds a solid foundation of both skills and safety practices to build upon.

## Session 2:

### Coast to Coast

The key to success: eyes up, feet up! Coasting takes riders to the next level. This learning block is key for becoming a pedal bike rider!

## Session 3:

### Roll Routes

Put your skills to the test as you navigate cone curves, stop signs, rainbow bends, and more! This provides an opportunity for coaches to reinforce and reteach!

## Session 4:

### Celebration Cruise

Show off your skills to applause and cheer as you roll through the hallways lined with your school community! You earned it!
